

All Textile Cleaner

Get deeper, appearances may deceive.

Dr. Marcus All Textile Cleaner agent for textile parts gives extraordinary effects resulting from the unique formula of titanium, which allows its particles to penetrate deeply into the fabric and remove all difficult spots. While cleaning process the titanium particles leave a protective film, which helps you to decrease the amount of dirt and negative UV influence and even avoid new stains. It also provides you with a pleasant and delicate aroma in your car because of some perfume content. Dr. Marcus car cosmetics are easy to use, just spray the upholstery at a 20 cm distance, use a brush to apply the foam on the whole part and wipe it with a cloth.
