

Classic Wild Fusion

A nod to minimalism

This car fragrance in the form of a **classy pendant** with a decorative lacework is made of wood that delights with its aesthetic values, while acting as a perfect natural fragrance carrier.

When designing the Premium Collection fragrance line, we decided to work on **first-class, exclusive perfumes**. These inspirations translated into special, rich and long-lasting scents that provide a unique experience to every driver and passenger.

Experience an exquisite WILD FUSION fragrance: the sophisticated, exotic scent opens with spicy notes of **black pepper, pink berry** and **saffron**. At the heart of the fragrance is an oriental symphony of **juniper, mystical incense** and **myrrh**. The base notes are an intriguing fusion of **patchouli, cedar** and **oud** spiced with creamy **vanilla**.
