

Fresh Bag Woody Rainbow Garden

Discover nature's wonders!

Explore the unique collection of **scented bags filled with wood chips**, which combine a natural form with inspiring fragrances based on natural aromas.

Fresh flowers, juicy sweet fruit, spices, pungent woody notes... Wood chips carefully soaked with perfume and enclosed in a pastel-coloured bag exude a relaxing, subtle aroma for many days, offering a unique sensory experience and guaranteeing a fresh scent in your home or car.

Discover our fragrances: **Rainbow Garden** – a magic garden full of delicious scents: it greets you with a joyful blend of bergamot and freshly grated orange zest with sweet cocoa, raspberries, coconut milk, hazelnuts, vanilla and caramel

- **with care for the natural environment**
we use wood chips with FSC certification sourced from sustainable forestry
- **unique, intriguing aromas**
based on the highest quality perfumes
- **Neutra Boost®**
long-term, effective neutralisation of unpleasant odours
