

# Lucky Pin New Car

Your daily dose of joy

Lucky Pin is something more than just a car fragrance. Available in **lively, optimistic colours**, it brings a spark of joy inside every car. Lucky Pin can be **hanged** from the rearview mirror or discreetly **clipped** to the air vent - the way you prefer it.

Each of **7 bestselling aromas** contains the innovative **Neutra Boost®** technology that captures the molecules of unpleasant odours and effectively neutralises them. Thanks to that you can enjoy freshness and your favourite fragrance for up to 45 days.

- **Trendy colours**  
Select a colour that you love and jazz up your car's interior.
- **Neutra Boost®**  
Long-term, effective neutralisation of unpleasant odours.
- **A hanging accessory or a clip**  
Use it the way you like it: hang it from the rearview mirror or clip to the air vent.
